

Attention Golfers: Elite Speed & D'Lance Golf are working together to help you get better!

FREE Biomechanical Analysis Training Session with Elite Speed

Elite Speed is a fully comprehensive sports performance training solution. We offer privatized training allowing us to give personalized instruction and address specific bio-mechanical and sport-specific needs. Our vision is to provide the highest level of knowledge, character and dedication to our athletes and clients.

Driver Swing Evaluation & Club-Fitting with D'Lance Golf

D'Lance Golf has created an exciting niche market in golf game improvement. By concentrating on the three most important areas; custom fit equipment, instruction and unlimited 24 hour access to state-of-the-art practice facilities, we have helped over 13,000 golfers of all playing levels around the world play better golf and have more fun!
